

DEDICATED TO SERVICE...

Our Last Camping Season of This Millennium Was a Success

Good-bye to 1999 Recapping

Most of you have closed up your trailers for the year and are enjoying the fall colours by now. The Officers of Project Exodus would like to thank all of you for having spent your season with us, this our third year of operations. We shared many successes including our first registered overseas guests from Germany and our best fishing ever; an estimated 580 lbs. were harvested. We would also like to thank those who were affected by the temporary interruption to water services in the first part of May for their patience and understanding, and Mike & Yvon for their help in making sure things were back up and running as quickly as possible.

Making the Right Choices

Propane delivery was definitely good for the majority. Reducing the price of docking by 55% for those wishing to include it in their lease terms was also a smashing hit.

YES... we continue to encourage you to improve and beautify your camping lots. But...

We also ask that you be safe and check your lease to help you decide what you can do and how it should be done. When in doubt speak with management before you start digging and building.

Lot # 1 has had the most change in the last 12 months. Way to go !

Better Services for You

Here are some do's and don'ts:
-Do obtain permission before changing drainage pattern in and around your lot.
-Do clear all brush with less than 2",
-Do fertilize, water and cut your grass,
-Do not drive your ATV's in the park at more than 10KM or on grassed areas or others' lots,
-Do not build within 10' of your lot lines (sides, front & rear).

What's in the renovated reception area of the lodge?

Besides the chocolate bars the kids enjoy, & the fly spray tobacco, Tshirts, pop, you have seen, this year we've added fishing tackle, photo serve, maps, and Kenogamissi Fish-Fry. Books & audio / video materials you can borrow. **What else do you want to see in stock ?**

May-run party ~

As promised the noted dignitaries did show up for our inaugural flag raising ceremony!

We know you all enjoyed yourselves, the champagne cocktails, and all the fixings.

Thank you for being here and helping to make this a great day in our short history, and a special thanks to our neighbours from hydro bay Mr. André Hudon & Mr. & Mrs. Roger & Estee Thom.

Happy 77th Jerry ☺

Monsieur Beaulieu celebrated the magic 'double seven' this summer. Lucie, Diane & Bert helped with a nice dinner party at the lodge.

Season end Fish-Fry

..another smashing party by all accounts! And the young folk were the catchers of most fish.

Fish story winners

Consolation prize went to Anna Woodrow for the 1st pickereel caught (before anyone else even had their boasts | the water), runner-up to Jerry for the everlasting 3.5 lb perch (ha ha) and the winner of the 'Liar's Club' T-shirt was Bert for his 'Kenogamissi Gator' on a rope...

Our heartiest welcome to the new seasonal residents in lots 3, 6 & 13

Who's Where

- Lot 1 Albert & Dianne Pelland
- Lot 2 Mike & Dianne Curley
- Lot 3 Aboodat Belanger & Louiseette Bouchard
