Neighbors: Who's Where

Gabby will be moving into lot 18 next spring. John and Anna have purchased a new home on the Mattagami River - we wish them well. Welcome to Dan and Nicole Piché now on lot 14.

We are looking for five more long term tenants if you know someone who might like to be here [contact us](#)

A Season full of New and Renewed Friendships

Nature Adventures: Dare to be different.

Worthy challenge from WildExodus Outfitting Services. Like the rising mist from Kenogamissi Lake, your spirit will soar to the height of its potential when we take you on a confidence building expedition of the Boreal Forest. This upcoming winter will see our active entry into the market: We will be expanding our trail system, exploring snowmobile touring and cross country skiing opportunities, and ice fishing day trips to outback lakes in our neck of the woods. Join us and share our 'winter wonder land'.

Improvements - let's do it up...

Incredible works were undertaken and our Park looks better than ever.

We want to thank all of you for your tireless efforts in making it 'beautiful' - our pride of ownership shows and is being noticed.

Congratulations and keep it up!

A Birthday to Remember!

Nothing else matters on the day you turn 80 except that you be surrounded by family and friends.

So it was for Gerry. A full weekend of cheerful celebration with over 100 of his favorite people.

He has enriched and brought laughter to our lives with his wisdom and joy - Thank you, live long, and much happiness.

Events, contests, and more...

May-Run Bash

Another spectacular get-together as usual! First prize for largest pike was won by our guests from St. Catherine, but from what we hear, the buffet was the winner with everyone!

Al's efforts paid-off!

Our friends from Ohio.

Everyone has adjusted well to the new fishing regulations in our region. Conserve now and make it better for the future.

Horseshoes 4 all!

Rachel just can't believe it!

Diane threw so well that they all landed inside the sand box... next year she will be our head coach and referee.

1st Annual ATV Ride and Pig Roast

A 'must' for years to come

A spectacular event-filled weekend to end this year's season, and with a great group of people numbering 31 on our first ever organized group tour.

Many thanks also to the lady's committee for the salads, condiments and desserts prepared for our 2 day feast. We already know the punch was a 'smashing' hit and the suckling piglets on the spit touched everyone's 'wild side' .
