## Many Changes and More to Come

### Good Food is a growth industry...

Eating culinary delights is enjoyed by everyone traveling on holidays. Given the success of all our past wilderness outdoor cooking events, next year food will become a key component of our programs and all-inclusive vacation packages offered by WildExodus Outfitting Services.

### Shoreline Works almost completed

And finally the grass is growing and our water front is protected from erosion. And to complement the Pavilion newly added, next spring we will be adding more dock space. The new facility, constructed to improve the quality of our parties, was finished just in time for our camping year-end bash. Please join us in our next event Ice-Fishing Premier...

> Just do it <

## 2nd Annual ATV Rides & Roasts

This year we had a number of very well received events. The now familiar May-run fish fry, the Canada day weekend bash featuring our annual ATV ride with horseshoe tournament and

wild boar roast, and the season closure bash featuring east coast oysters and local wild venison. Thanks giving was also celebrated at the Park by a number of our seasonal residents. Deep fried turkeys in peanut oil were served with all the trimmings from cranberries to blueberry wine and cobbler. It was lots of fun! Want to do it next year ?

### What's going on upfront ?

### Pavilion & more!

We think it looks great and will be very useful.

And that new fire pit is simply awesome...

### Precious

This is precious at 10 weeks. By the time you meet her she will be 10 months and ready for her new role as Park mascot.

Thank you Angel Champion, we hope her 7 brothers do well.

**Welcome to our new residents** in lots 7, 8, and 14. We wish you well with your improvement projects and encourage you to enjoy your new summer base for outdoor play & fun.

## We Remember

Twice this season the Park owners honored us with a visit and twice they ordered the company flag to half mast.

No longer with us are Adeodat (Pite) Belanger, & Christopher Lee Woodrow. Contributions made by you and matched by the Park were made to the Cancer Society and Hailey's education fund.

We, their extended family for the better part of the last decade, are grateful for our time with them and will remember well the laughter they brought to our lives. -Thank You

Woody

Pite

Peace be with You!

*This is Hailey, Chris' now 3 1/2 y.o. Daughter.*

*YOU can still contribute to Hailey's Education Fund !  
It's easy, contact us and will make all the arrangements for you
