## Wawaitin Gazette

### Smashing Success Indeed... we have 2 new Kenogamissi Lake Champion Anglers

After 4 months of avid fishing the pike caught on the first day of the tournament held its own... and the winning pickerel was measured late in the afternoon of the last day. [Click here to view details and pictures.](#) Trophies were presented to the winners, Albert and Brian, at our year-end thanksgiving gala. Another member has been added to our illustrious "Liars Club" - congratulations to Rachel Portugie.

**May-Run**

Our familiar fishing contest on the 18th & 19th was followed as usual by the fish-fry everyone talks about. This year, despite the fact there were only 4 boats fishing on Saturday and none during the snow fall on Sunday, we still cooked up 66.5 lbs. of fish. Prizes were awarded to Brian, Mitch, and Bert.

**Canada day weekend**

This long weekend bash featuring our horseshoe tournament, ATV ride and piglet roast was held on June 30th July 1st and 2nd. Horseshoe tournament was held on Friday with the finals Sunday morning prior to our piglet roast.

As usual, prizes to rant and rave about were awarded, this year to Dan, Reg, Yvon and Melody.

The annual ATV ride went south along Chesterfield Creek and Lakes to Post 392 where Marie Gagnon hosted a spectacular brunch for all participants.

**Upcoming Winter Events**

Firstly will be the lighting of our Christmas tree around December 16-7 followed by the passage of the Holiday Season into the new Year. Hot beverages (chocobrandy & rumnog) will be on - keep in touch! Secondly will be the first hole for ice fishing followed by placement of the heated hut. Thirdly will be the construction of traditional ice igloos... and finally there will be a surprise.

**Welcome...**

To all our new seasonal residents in lots 5, 6, 8, 9, 10, 12, 16, and 17. Our vibrant community is glad you have joined us and wish you all a smooth transition into your new summer time playground at Wawaitin Holiday Park.

**We Thank**

... Tony & Joanne Sangiuliano, patrons of WHP who left us this past season to pursue other interests. Also, longtime friends Dan & Nicole Piché and their 4 amicable children, Amanda, Danny, Teana and Roxane. Our sincere gratitude to the ladies' committee headed by Liz Portugie for all the work that ensured our events were well supplied with scrumptious foods.

## A Tribute

In the mid 1990s, Dennis Piché and his family were instrumental in the redevelopment of the Wawaitin Campground into the fully serviced RV Park we are all proud of today. His son Dan has continued throughout the years to provide Wawaitin Holiday Park with indispensable service. He's here to repair our water main, help install new docks, grade your drive ways, plant trees, insure our ditches drain, and much more - like put up our Christmas tree... on the lake! We thank him for his friendship, congratulate him on the upcoming renewal of his vows to Nicole on July 7, 2007, and sincerely hope we will continue to work and play together.

Around the same time, Harry Hurst also met our acquaintance and not only became our in-house electrician but also a friend. Harry has, and continues to, bury thousands of feet of wire to assure all our power needs are met. He juices our air conditioners, brightens our roadways, and yes, lights up our Christmas tree... - (did I mention) on the lake! We welcome Harry as a permanent Park resident, and now that he's officially retired from the work force and opened his own small business, [Hurst Electric](#), we'll be counting on each other.
