Active Travel EXPERIENCES For Visitors To Our North

Domestic and international visitors are continuously on the lookout for new and exciting travel experiences. Well-packaged tourism experiences increase the value of Northern Ontario as a desirable, 'must see', four-season destination.

Packaged offerings could move away from being family-oriented to being specifically designed for adults. 49.2% of US travelers to Northern Ontario indicated that "having lots of things for adults to see and do" was highly important in their considerations for a travel destination, while 58.6% indicated that "having lots of things for children to see and do" was of no importance. In addition, only 27.3% lived with children under 17. Camping is seen to be of significant interest for US travelers who have visited Northern Ontario. In fact, 34% of them have participated in camping activities while on overnight trips compared to only 17% of other US travelers. Supporting this is the fact that 53.3% of US travelers to Northern Ontario indicated that luxury accommodation was of no importance in their travel making decisions.

These areas had the highest incidence of Americans who did not visit Ontario, rated it highly and indicated that at least 1 of Northern Ontario's intrinsic activities was main reason for taking a trip in the past 2 years.

- California and in particular Los Angeles
- Texas and in particular Houston and
- For the near markets, Illinois, and in particular Chicago emerged as a potential visitor market for Northern Ontario.

As a result of our resent Marketing efforts, such as the launching of [BorealForest.travel](#), this past summer we hosted 5 guests from the Chicago Area canoeing our Grassy River.

We will continue to stream line and improve our products to reflect the demand trends of these travelers.

May-Run Weekend

The weather was cold, but unlike last year, the fish were biting! 100 lbs. Of fish were cleaned and fried by our now familiar cooking specialists Roger & Estele Thorn. They have moved to their new home on Papakomeka Lake - we wish them all the best and will hold them to their promise to come back and see us. Bert's bragging rights continue with 54.5 lbs. netted by his team and another pot prize to take home.

Canada Day Celebrations

After fish or flies... we got you covered. Meet our grand champions of the annual horseshoe tournament, Reg, Nat, Danny and José. The kids also had lots of fun and tons of prizes to share.

A gang of mud-loving folks participated in the ATV ride for the yearly visit to our neighbors up the lake at Post 392. As usual Marie served up a succulent buffet for all to enjoy and reenergize for the ride back to the Park.

Our Canada day luncheon was very well attended and we thank all the ladies in the Parks events committee for providing all the fine fixings the accompanied the baron hip roast from Alberta beef.

We had a blast, and know you did too from the compliments received about the fire works display.

Clients wishing to 'become Seasonal Residents' must be monthly tenants for 3 months before qualifying and being offered a long-term lease. All others will be considered 'registered guests' Rates are subject to change without notice.

Come to the fire pit & tell us your tall tales.

Thanksgiving Bash

Lots of new friends having lots of turkey, wonderful stories by the fire, and an old familiar song, "I Was Just Sittin' There". Needless to say Brian Portugie grabbed top honors for his angling efforts this year by taking home 2 trophies, for the largest pike and pickerel netted for the 2007 season.

Other Special Events

Canadian athletes will finally have "HOME ADVANTAGE" for the winter games. They deserve all our support, and WE intend to be there for them - want to come with us? Now is the time to start planning. Transportation to and from British Columbia, accommodation with easy access to venue sites, "tickets" to your favorite events, and more... All at group rates! Contact us at Sales@WildExodus.com to find out what you need to do to join our list of Canucks from the city with a heart gold, cheering our athletes to gold.

What's in the works...

Signage

Efforts are underway to make Wawaitin Holiday Park compliant with regulations of the Ministries of Transport and Tourism & Recreation that would make us eligible to participate in the highway tourism signage program. This will require substantial funding and hard work, but if all goes according to plan, within the next twelve months you should be able to tell your family and visiting friends to look for our signs (along side those for Shania Twain, Kamiskotia, Cedar Meadows, etc.) on highways 144, 11, and 101.

Volunteers Needed

The Parks 3 seasonal events are possible only through the time and effort of those permanent residents who volunteer to serve on your Parks 'Events Committee'. Comprised of a team leader and two event
